011. V. **Centerville Specific Plan Fee**

4110.3753

On September 14, 1993 the City Council adopted the Centerville Specific Plan. The Plan contains land use circulation, historic preservation, and open space goals and regulations, as well as design guidelines and a program of public improvements. As enabled by state law, the Plan also describes a Specific Plan Fee which would help to defray the cost of plan preparation. The fee which is applicable only in subareas 1, 4, 5, 7, 8 and 11 of the Plan area is imposed on all new construction except rebuilding or additions to single family homes and minor additions to commercial uses. Developers would benefit from the Specific Plan by reduced environmental assessment costs (in that development consistent with the Specific Plan would be covered by the project EIR) and faster review of some land use changes (for example, changes to residential development in subareas 5, 7, and 11 would require a Planned District application rather than a General Plan amendment). The fee varies between subareas based on the amount of staff and consultant time spent on each subarea as follows:

Subareas 1, 5, and 7	\$2,985/acre of site
Subareas 4, 8, and 11	\$175/acre of site

W. **Cost for Surveys and Reports**

Records research fee per each 20 minutes of staff assistance	\$15.00*
--	----------

011. X. **Community Planning Fee**

4110.3739

Community Planning Fee is assessed to recover a portion of the costs associated with annual maintenance and comprehensive updates to the General Plan and Zoning Ordinance. This fee is imposed on all building and plan check permits issued.

15% of building permit fees\*

\*For the purpose of this Community Planning Fee, the term "building permit fees" shall mean all fees required by Master Fee Schedule section VII©; provided, however, the term "building" specifically excludes the following fees: (1) Building Code Application Fee (section VII(C)(1)(a)(1)); (2) Microfilming Building Plans (section (C)(9)); (3) Miscellaneous Building Inspection Fees (section VII(C)(10)); (4) Weed Abatement (section VII(C)(11)); and (5) Hazardous Materials Fees (section VII(C)(12)).

011. Y. **Planning Division Over the Counter Plan Approval** (Res 9877, 2/11/03)

4110.3799

A flat fee of \$50 be implemented on all building permits, except those routed to the Development Organization, to recover the first one (1) hour of Planning staff time required to review over-the-counter plans; any additional time required for review beyond the first one (1) hour will be charged in quarter hour increments, at \$24 per quarter-hour.

\$50 for 1st hour; \$24.00 per quarter-hour thereafter

011. Z. **Reasonable Accommodation Fee** (Res. 9877, 2/11/03)

4110.3729

Per Senate Bill 520 and Ordinance 2321, the City must establish a process for considering Requests for Reasonable Accommodation for persons with disabilities under the Fair Housing Act and make adequate provisions in the City's Housing Element for housing needs of all economic segments of the community.
